ELECTION

Sir:

This is in response to the United States Patent and Trademark Restriction Office Action mailed August 24, 2009, which response is being made on September 24, 2009, and for which no extension of time fee is due.

Applicants hereby elect **Group I, namely Claims 1-33, 35-42 and 48-54**, drawn to a method of defining content.

Group 1 is elected with traverse, as the examiner did not specifically relate to the arguments regarding common special technical feature brought up in the previous response to restriction requirement.

Applicants reserve the right to file, at a later date, additional divisional applications claiming priority from the present application which are directed to the non-elected Group.

Respectfully submitted,
